

# Privacy is important.

*A clear overview on how Les Sorcières respects & protects your data.*

2026

# Trust is essential.

*Players deserve transparency about their data – we only collect data necessary to operate & improve our games. We may collect the following information -*

1

Basic interactions with LS sites & games.

2

Your progress, achievements, and saveable data in-game.

3

Your Discord ID, when signing up to our marketing DMs.

4

How you interact with our marketing DMs, & your DM preferences.

# Never a product.

*Data that you trust Les Sorcières with handling will never be treated as a product.  
We will;*

- 1 Keep your data safe and secure.
- 2 Never sell your data.
- 3 Never use “personalized advertising”.

# Why do we collect data?

*Data helps us maintain and improve Les Sorcières, helping us shape a better experience for our player base. Why exactly do we need to collect your data?*

1

To deliver updates  
you have  
subscribed to

2

Improve gameplay  
and community  
experience

3

Provide support  
and respond to  
feedback

4

Maintain game  
security and  
prevent abuse

# How we keep your data **secure.**

*Our top priority is maintaining the safety and security of any data held by us.*

1

Secure servers  
hosted in Ireland &  
limited access  
controls

2

Strict internal  
access to data

3

Data encryption &  
access-control  
measures

4

Regular system  
reviews &  
monitoring

# You're in control.

*You will always remain in control of your data.  
You can, at any time;*

- 1 Unsubscribe from marketing messages.
- 2 Manage your marketing preferences.
- 3 Request deletion of data (right to be forgotten)

# Questions? Always welcome.
